

Conscientious Objectors and the Peace Movement in Britain 1914-1945

This is a selective guide to archive, manuscript and printed material collections in the Library. It is not exhaustive, particularly in relation to pamphlets and articles. There is also some overlap between subjects and timescales; some secondary sources cover the period from the 17th century onwards. Related material on organisations such as Friends Ambulance Unit and other Quaker relief work are not included in this guide.

Please visit our online catalogue to search both printed collections and archives and manuscripts: www.quaker.org.uk/cat. There may be some material which has not yet been catalogued, please contact the library to find out more
