Book of Meetings: Final call for updates

Dear Friends,

We will be publishing a new listing of Quaker meetings in 2018. The book will include all of the information from meeting entries in the 'Find a meeting' section of the Quakers in Britain website <https://www.quaker.org.uk/meetings>. If you have any updates to your meeting details that you have not already informed us about please send to updates@quaker.org.uk as soon as possible and by 12th February at the latest.

In order to give the printed book a longer shelf life and to comply with changes in data protection legislation coming into effect in May 2018 we have reduced the amount of information it will contain. Apart from the main meeting phone number, personal details and names of role holders will not be included. We intend to keep this version of the book in print for as long as possible.

The survey that we carried out last year indicated, overwhelmingly, that Friends prefer to use the online Book of Meetings information that is freely available and regularly updated. However, we recognise that this isn't suitable for everyone at this time.

You can update your meeting entry on the Quakers in Britain website at any time

Please keep us informed of any changes to your meeting venue, times or contact details as soon as they happen by emailing updates@quaker.org.uk or calling 020 7663 1006. The information on the website is updated weekly.
