This training workshop is designed to help meetings and individual Friends learn more about all age worship and how to do it.

The cost of the workshop is £5 payable on the day including a light lunch and refreshments. Child care alongside the workshop will be provided on request.

The aims of the workshop are:

- To promote and assist understanding of how we worship.
- To think of ways meetings can develop and/or improve all age worship.
- To equip participants with the resources required to develop all age worship in their meetings.

At the workshop you will have opportunities:

- To practice sharing your own spiritual and religious experience so that you have ways of doing this with others in your Meeting.
- To explore and consider all age worship so that you are able to support your Meeting in similar discussions.
- To plan all age worship sessions and to think about how this might be done back in your Meeting.
