***'At YPP I feel like we have a community and family'***

The Young People's Programme is a residential event that takes place at the same time as Yearly Meeting. Young people are able to explore current Yearly Meeting topics in age appropriate ways.

Supported by the children and young people's work staff, the theme and activities are planned and facilitated by the Young People's Arrangement Committee (young people appointed at the last Young people's Programme). We will be joining with Yearly Meeting for some sessions as well as enjoying social events and worshipping together.

We encourage participants to commit to the full residential programme. This ensures that a sense of community and group is formed.

Places are limited and allocated on a first come basis so book early to avoid disappointment

All bookings will be confirmed. Invoices will be sent after the closing date for booking. Boundaries for the event will be sent in March. These need to be signed and returned. In May full programme details will be sent to all who have booked.

If you need financial support please contact your local or area meeting in the first instance. Otherwise please contact Lucy Sam at Friends House.
