

Stop the arms fair!

The international arms fair, DSEI, is setting up shop in London in September 2019, to export war and conflict around the world.

While the United Kingdom plays host to one of the world's largest arms fairs, war, repression and injustice start here. Let's stop it here.

Quaker Peace & Social Witness has been working with a coalition of groups, including Stop the Arms Fair and Campaign Against the Arms Trade (CAAT) to organise a silent, candle-lit vigil. More information overleaf.

Candle-lit vigil Monday 9 September

A silent, candle-lit vigil in the evening before the arms fair opens, in solidarity with victims of the arms trade. All faiths and none welcome.

Young Quakers are particularly welcome at this event, and staff from the Children & Young People's Team of Quaker Life will be on hand.

Friends involved in <https://rootsofresistance.org.uk/> may also be interested in attending.

Meet at 18.30. South side Royal Victoria DLR, by roundabout, on Seagull Lane, E16 1BY

More details: www.stopthearmsfair.org.uk/events.

Quaker Peace & Social Witness staff will be at the candle-lit vigil. If you cannot make it to London but want to send a banner or placard for Friends to hold, get in touch.
