

Living our faith in the world event

8 – 13 April 2017

Embercombe, Exeter, Devon

For ages 13 to 17

For young Quakers and their friends this is a **five day residential event** at Embercombe in Devon.

Live Simply. Live Sustainably. Make a difference in the world.

We will participate in the **LEAP Programme** which aims to inspire and empower young people, connecting them to a world, where they feel able to make positive change. Young people will learn from the environment, by contributing to communal tasks such as gardening, building and cooking. Each task will be part of a process where they will learn sustainable living skills and reflect on their experience, helping individuals to decide the kind of person they want to be in this world. For further information about Embercombe and the programme go to www.embercombe.org.

Cost: £260 per person, includes full programme, accommodation, meals and coach travel from and to Exeter train station. (This does not include train travel to Exeter).

Accommodation: Shared accommodation in yurts.

Applications close: Friday 1 December 2016. **To apply:** Please go to: www.yqspace.org.uk/bym-events or email: cypadmin@quaker.org.uk or 020 7663 1013.

We have space available for 40 young people. We welcome applications from those bringing a non-Quaker friend to this event, as well as those who are new to Quaker events.

Once applications close, we will confirm if you have a place on the event or not by 23 December. If you are offered a place then you will need to fill out a consent and information form in order to secure your place at the event.

“We are here to live with the land, not take control of the land”.
Participant, Britain Yearly Meeting Young People’s Programme 2015
