or interment or scattering of ashes

This is to authorise (delete whichever is not applicable)

the making of a grave for interment

the interment of ashes

the scattering of ashes

of the body of

in the Friends burial ground at

which is to take place on (date) at am/pm

Name of Friend authorised to issue orders for burial

This is to certify that the interment / interment of ashes / scattering of ashes
was duly carried out at the place and date stated above.

.....

This is to certify that record has been made in the Area Meeting minutes.

.....

Area Meeting Clerk

The Friend authorised to issue orders for burial is to send this form to the person responsible for arrangements at the burial ground. When it has been signed by a person present, it is to be sent to the clerk of the area meeting responsible for the burial ground who will arrange for a record to be made in a minute of the area meeting and if the deceased was a member of another area meeting will inform the clerk of that area meeting. This form is to be returned to the Friend authorised to issue Orders for burial for retention with the other burial documentation.

For regulations concerning the issue of Orders for burial, see sections [17.11](#) and [17.12](#) of Quaker faith & practice 2005
