

Social Media Guidelines for Friends at Yearly Meeting in Friends House

We welcome the use of social media at YM as outreach and a way to include Friends not physically present. Please use the hashtag **#YM2019** on your posts.

Ten things to remember when using social media at YM:

1. Be kind.
2. Be inclusive.
3. If it is not acceptable offline, it isn't acceptable online.
4. Our Quaker Discipline is not to post or use social media in YM sessions.
5. Do not preempt or comment on decisions the YM is still discerning.
6. Staff will live tweet from Swarthmore and Salter lectures, you can too.
7. Get permission to take, and post, any photos of people.
8. Do not post photos of other people's children without their adults' consent.
9. Do reread before you post.
10. Check your privacy settings, public posts may be seen as the Quaker voice.
