

All-Together Worship at Yearly Meeting

Sunday 25 May 2025

10:30am – 11:30am

Outline

The session will begin at 10:30am with an introduction from the Yearly Meeting Elders explaining how the worship will be run and how ministry will be taken.

Prepared ministry will be delivered in person by Dawn Fowler, one of the team working with children at Yearly Meeting. It will be around the theme of 'peaceful inside and out' using the words of Quaker teenagers as well as her own experience. She may use some quotations taken from *Living Our Beliefs*.

There are some suggested activities for people of any age to help them reach and maintain stillness.

One activity is for Friends to draw or write what helps them feel peaceful inside. Another is for them to trace their finger through a labyrinth. There is a printable resource available to support these activities.

After the prepared ministry, Elders will call on Friends present in the room, or joining via Zoom, to give ministry.

Meetings around the country may have made their own plans as to how they join with this worship and may involve children in further activities around the theme.
