

## **All-together worship at Yearly Meeting 25 May 2025, 10:30 to 11:30 List of participating Quaker Meetings,**

This is an alphabetical list of local Quaker Meetings that have said they will participate in this worship. Friends will be able to attend worship in person at these meeting houses and will be joining with other Quaker meetings from across Britain. The list below also indicates whether Meetings are connecting online (usually via Zoom), or offline (without technology), by using the same shared reading at the start of worship. Zoom and YouTube connections will be very similar. The key difference is that those on YouTube will be able to hear, but not give vocal ministry.

Some of these meetings have said they will provide support for children's worship. This is noted in the listing below.

If you would like to attend all-together worship in person, do check this list for a nearby meeting. If you need to contact the meeting, or check access arrangements, use the 'Find a meeting' search on the website (<https://quaker.org.uk/meetings>).
