Friends House, Euston,
London

Ages 12 to 18

Time: 12pm – 6pm

Register interest by:

18 May 2016

Youth/Link group coordinators

Bring a group of young people from your Quaker meeting or youth/link group, to worship and explore their personal and shared journeys in Quakerism. The day will be linking to the *Living our Beliefs* publication for young Quakers.

This event will help young Quakers' to understand how their beliefs are grounded in faith and how that belief can translate into action.

To express interest in bringing a group of young Quakers to participate in this event, youth/link group coordinators should contact the CYP Administrator at Friends House cypadmin@quaker.org.uk or 020 7663 1013 **before 18 May 2016**, giving details of the number of young people and adults you are expecting to bring.

Closer to the event we will ask for detailed information about the young people attending, including precise numbers, gender, ages and particular needs. During the day you will be responsible for the young people you accompany.

Find more information online at www.quaker.org.uk/cypevents.
